

Your Success During Conversion Weekend Checklist

To minimize the impact you may experience during the conversion weekend, here are some helpful planning steps:

☐ Make Deposits

Before the close of business on Thursday, April 30, 2026. Any deposits made over the weekend will not be available until Monday, May 4, 2026 or later. ITM and Mobile Deposit functions will not be available over conversion weekend dates.

☐ Schedule Loan Payments

Schedule loan payments prior to end of business on Thursday, April 30, 2026. Loan payments received in our ACH files upon our systems coming back online will be processed with their received date. Loan payments will be back dated to ensure no penalties.

☐ Withdraw Cash

You will be able to withdraw cash at ATMs/ITMs and get cash back with purchases over the weekend, but plan ahead as ATM withdrawals and Debit Card purchases will be reduced to stand-in limits.

☐ Get Organized

Be sure you maintain awareness of your account balance before the weekend of April 30th – May 4, 2026 as our branches will be closed and Online/Mobile Banking will be unavailable.

☐ Record Your Bill Pay Payees and Payment Amount

Having this information available could be very helpful in the event that you need it during the downtime.

☐ Online/Mobile Banking Users

Our Bill Pay is not changing; however, if you will need payments made immediately following the system upgrade, please schedule your payments prior to April 30, 2026.

☐ Transaction History

Print or save your transaction history to assist you in keeping track of your balance during the system upgrade and to save for your records. You will receive your monthly statement which will include the transactions that occurred during the month as well as this period.

☐ Check Images

Print or save any check images you want to keep for your records. No check images will be available online for checks posted prior to April 30, 2026. Images for checks posted after close of business on April 30, 2026 through May 4, 2026 will be available as normal after the system upgrade.

**AS ALWAYS,
THANK YOU FOR
FLYING WITH US!**
